Instructions

1

Cut a 4' beading thread. Sew through the hole indicated in illustration and out the next hole. Tie the two ends together, leaving a 6 inch tail. Make a double knot.

2

a. b. c. d.

Follow illustration to help you add your next seed bead. (Grey beads are beads you've sewn from previous steps. Colored beads are newly added beads.)

3

Repeat until you've added a total of 16 size 11/0 seed beads.

4

a. b. c.

Sew down the bead frame and out. Sew through the next 11/0 seed bead, pick up an 8/0 seed bead and sew through the next 11/0 seed bead. Repeat. At the top you will pick up TWO size 8/0 seed bead and sew over to the next 11/0 seed bead. Keep adding a size 8/0 seed bead inbetween each size 11/0 seed bead. Sew up to the top of the frame and pick up an 8/0 seed bead to sit in between the two 8/0 at the top. Sew down and tie off beading thread.

5

Add earwire to the top 8/0 seed bead with a jump ring. Repeat ALL Steps for other earring.
