### Legend

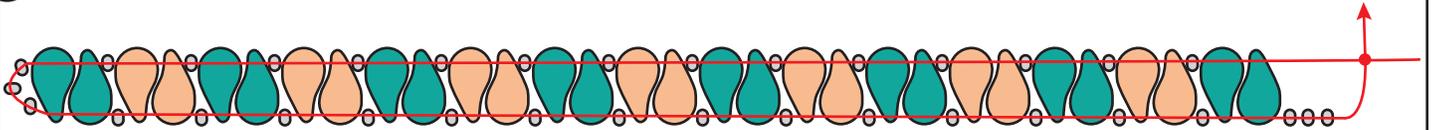

Paisley Duo  
(Use two different  
colors)

8/0 Miyuki  
Seed Bead

### Instructions

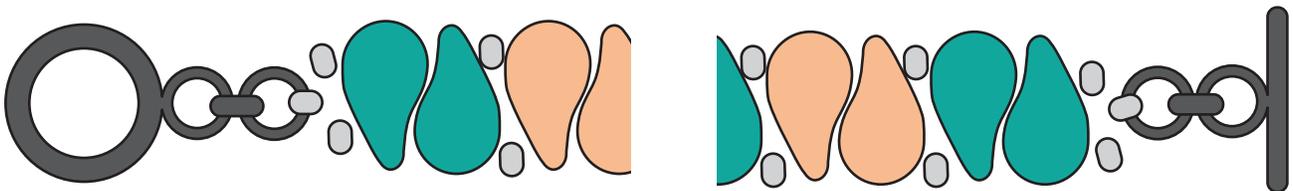

1

Start out with 3 feet of beading thread. Sew on the following paisley beads and seed beads. Make sure you are sewing through the correct hole of the two-hole paisley bead. Sew through the bottom paisley beads, while adding a seed bead in between each paisley sections. End with three seed beads and tie the two ends together. Make two knots. Sew through a few beads before cutting excess off.

*Wrist Size: For a size 6.5" bracelet, sew on 15 sections of paisley beads. Size 7" will have 16 sections and size 8" will have 17 sections, etc.*

2

Open a 5mm jump ring and slide it through the middle seed bead at the bracelet end. Open a small 3mm jump ring and slide through previous jump ring and loop of toggle clasp. Repeat to other bracelet end.

*Note: Substitute toggle clasp with lobster claw and a half inch extender chain.*
