

Stone Ripple Leather Bracelet

Components List:

(60") **A022070** - 1mm Light Brown Leather Cord
OR
(60") **A022069** - 1mm Natural Black Leather Cord

(3) **Y001142** - Wrap Twist Bead
8mm and 10mm Large-Hole Gemstone Beads

Instructions

1. Fold 2 pieces of 1mm Leather cord in half – 30 Inches each
2. String the 10mm Large Hole gemstone bead onto the middle of 2 leather cords and tie an overhand knot under the bead.
3. String on your beads. String silver bead onto all 4 cords, string 8mm gemstone bead onto 2 strands, string silver bead on all 4 strands, string 2nd 8mm gemstone onto the other 2 leather cords you didn't string the first one onto, and string the last silver bead onto all 4 strands.
4. Arrange beads to be in the "middle" of the bracelet and tie overhand knots on either side of beads.
5. Measure bracelet on your wrist and tie and overhand knot where you would like the loop of the clasp to start, tie another overhand knot a half an inch from the other one to make loop for the clasp.
6. Trim leather ends.
