Instructions

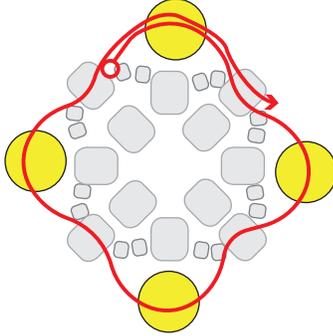

- 1** 

Cut a 3'-4' beading thread. Sew on FOUR 8/0 seed beads and make a knot to create a loop of beads.
- 2** 

Sew through the loop of beads once around.
- 3** 

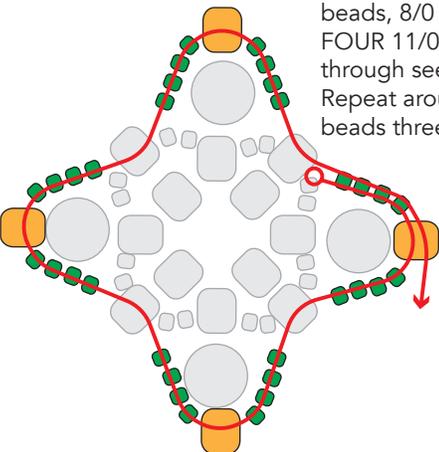

See illustration to adding an 8/0 seed bead in between each seed bead on loop.
- 4** 

Pick up a TWO 11/0 seed bead, 8/0 seed bead and TWO 11/0 seed bead. Skip seed bead from first bead loop and sew through second seed bead. Repeat around the loop of beads three more times.

Sew up through the first three seed beads in illustration.
- 5** 

Pick up a 6mm round gemstone and sew through next 8/0 seed bead in illustration. Sew around adding three more 6mm bead. Sew through these sequence of beads around twice more to secure this row.

End by sewing through seed bead shown.

Make sure to tighten your threads while sewing.
- 6** 

Pick up FOUR 11/0 seed beads, 8/0 seed bead and FOUR 11/0 seed beads. Sew through seed bead shown. Repeat around the loop of beads three more times.
- 7** Repeat Steps 5 and 6 FOUR more times. (Or until you reach a desired length.)
- 8** Repeat Steps 5, but instead add a 8/0 seed bead in place of the 6mm bead. Sew through these sequence of beads around a couple of times to secure row. Make an over hand knot to threads and sew through a few beads before cutting excess off.
