	11/0 Miyuki Delica Bead		Czech SuperDuo
	8/0 Miyuki Seed Bead		

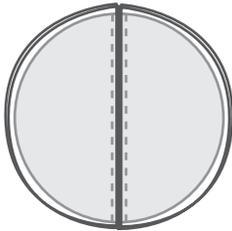

Instructions

1

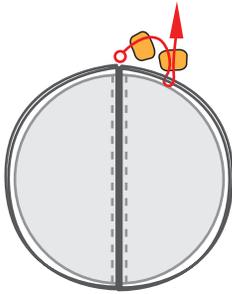

Cut a 4 foot piece of beading thread. Sew through Pearl, leaving a 6 inch tail. Sew around and through the Pearl twice, to one side of the Pearl.

2

Repeat to sew twice around to other side of Pearl bead.

3

Pick up two Delica seed beads. Sew under the two strands of beading thread and up through the second seed bead.

Fig. 4

Pick up two 11/0 seed bead and brick stitch by sewing under beading thread and up through seed bead (Fig. 3). Brick Stitch around adding a total of 20 seed beads. Finish layer by sewing down through first seed bead, under beading thread and up through seed bead. (Fig. 4)

6

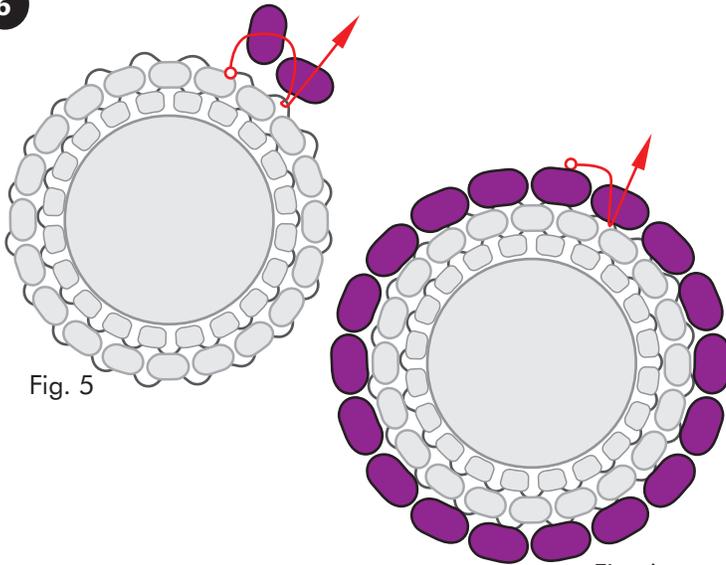

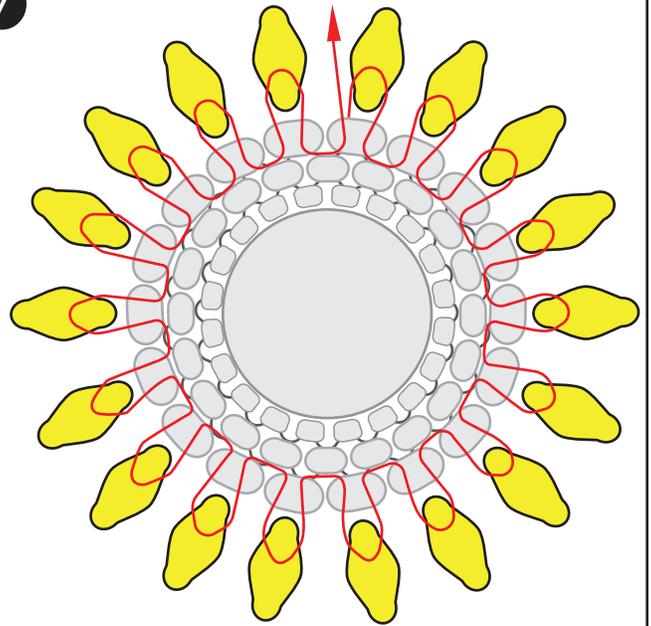

Fig. 5

Fig. 6

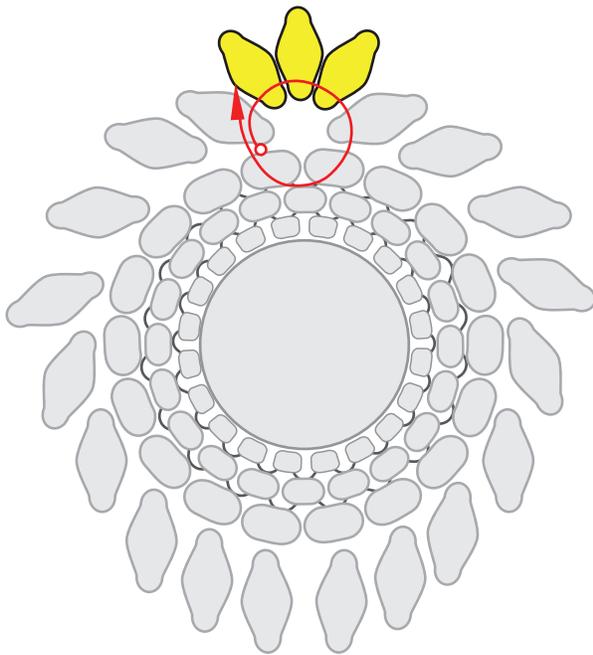

Pick up two 8/0 seed bead and brick stitch by sewing under beading thread and up through seed bead. (Fig. 5) Brick Stitch around adding a total of 18 seed beads. (You will find yourself skipping a beading thread section to fit all 18 beads) Finish layer by sewing down through first seed bead, under beading thread and up through seed bead. (Fig. 6)

7

Pick up a SuperDuo bead, sew down seed bead and up next seed bead. Repeat going around and adding a total of 18 SuperDuo beads. Sew through the same beads to add extra security to the SuperDuo beads.

8

Sew up a SuperDuo bead, pick up three SuperDuo beads, and down next Superduo bead. Sew through the seed bead and Superduos twice more to secure these bead. Make two overhand knots, sew through a few beads and cut off excess thread. At this point, fan the SuperDuo beads to cascade and wrap around the beaded pattern.

9

Open a 24-Gauge eyepin loop, slide through middle SuperDuo bead and close loop. Slide on eyepin: 11/0 seed bead, 8/0 seed bead, 3mm pearl, 8/0 seed bead and 11/0 seed bead. Make a simple or wrapped loop. Open earwire loop, slide on dangle and close loop.

10

Repeat ALL steps for other earring.
