Instructions

1

With 4' of beading thread, sew through one hole of Link, pick up a SB, HC, SB and sew through other hole of Link. Pick up a SB, BC, SB, DD and SB. Sew through other hole of Honeycomb bead. Pick up a SB, DD, SB, BC and SB. Leaving a 5 inches tail, tie both ends together to secure loop. Sew through loops of beads to secure thread ends.

2

Loop through beads in illustration, down other DD at the top. Pick up a SB, HC, and SB. Sew through bottom DD to create a loop, up and out of the top DD.

3

Sew down through already stitched section. Pick a SB, BC, SB, DD and SB. Sew through other HC hole. Pick up a SB, DD, SB, DD and SB. Sew down DD and loop through what you've added.

4

Sew down through other DD hole, pick up a SB, HC, SB and through bottom DD. Sew and loop up through the pattern and up top DD.

5

Repeat Steps 3 & 4 another 11 times.
 NOTE: Pattern is for a 7.5" wrist size.
 Lessen one sequence for a shorter bracelet or increase for a larger size.

6

Sew down other DD hole and loop through pattern, adding beads and other Link in illustration. Loop through pattern to sew up and out of the Link component.

7

Sew through SB, BC and SB, Pick up 3 SB and sew through SB across the DD. Repeat down and around the boarder of pattern adding 3 SB in between the two SBs. Tie off and cut excess beading thread.

8

Add toggle clasp with jump rings on either links to complete bracelet!
