Instructions

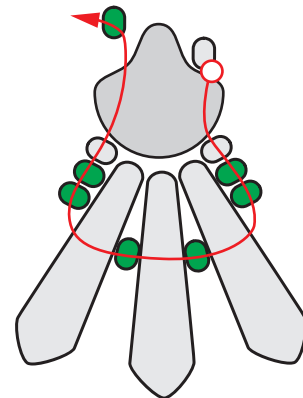

1

Follow illustration to sew through Cymbal, seed bead, three daggers, other hold of Cymbal and seed bead.

Make sure to keep a 6 inch tail end.

2

Sew down through Cymbal and through seed bead, pick up 2 seed beads, sew through second hole of the dagger beads, while adding a seed bead in between. Pick up two seed bead, sew up through first seed bead and cymbal. Pick up another seed bead. Tie both ends together, while gently tugging the pattern to secure all the beads. Tie two knot and sew through a few beads before cutting off excess thread.

3

Repeat all steps for other earring.
