### Instructions

**1**

Pick up 4 delica beads and sew back down the second delica bead.

**2**

Pick up a delica bead and sew up through the first delica bead. Pick up another delica bead and sew through top left delica.

**3**

Follow illustration to sew through to delica bead you added previously. Pick up 5 delica bead and loop back through delica bead.

**4**

Follow illustration to secure looped beads for your bracelet loop ends to top and bottom delica. And sew out through top delica bead.

**5**

Sew down top right delica, pick up and delica bead and peyote stich through bottom delica.

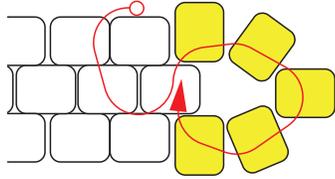

**6**

Pick a delica bead, sew through middle and top delica.  
 Pick another delica, sew through middle and bottom delica.  
 Follow the figure-8, criss-cross pattern.

**7**

Follow steps 5 and 6 until you've reached 5 inches. And then finish up with step 5 to add the middle delica.

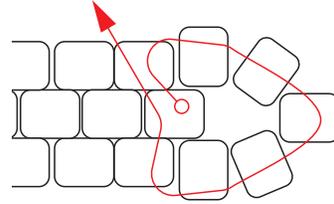

8

Follow illustration to sew through middle delica bead.

Pick up 5 delica bead and loop through middle delica.

9

Follow illustration to secure looped beads for your bracelet loop ends to top and bottom delica beads.

And sew out through top delica bead.

10

Sew through a few beads and cut off excess thread.

11

Remove jump rings from adjustable sliding clasp and set aside.

12

Cut a inch off each chain end.

13

Slide jump ring back on chain end and attach an end of your pattern. Close jump ring. Repeat to other chain end and pattern end.
