Instructions

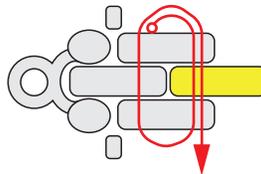

1

Starting with 4-5 feet of beading thread and adding a stopper bead to your thread end, leaving a 5" tail.

Slide a bar bead inbetween the Cymbal component and sew through Cymbal and bar bead. Pick up a seed bead and bar bead and sew through second hole of middle bar bead. Pick up a bar bead and seed bead. Follow pattern to loop around pattern, coming out of the top bar bead.

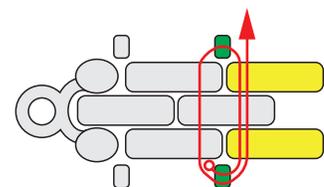

2

Sew down second hole of top bar bead, pick up a bar bead and sew through second hole of bottom bead.

Follow illustrations to loop around, coming down the bottom Czech bar bead.

3

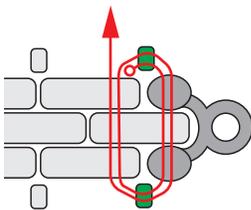

Pick up a seed bead and bar bead. Sew through second hole of middle bead. Pick up a bar bead and seed bead. Follow illustration to loop around coming out of the top Czech bar bead.

4

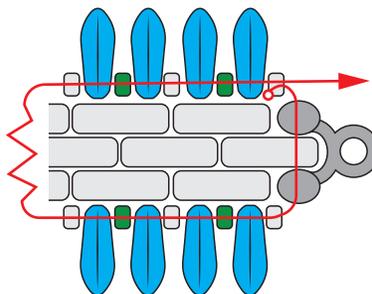

Repeat steps 2 and 3 until your reached a length that is about an inch less than your bracelet size. Repeat step 2 one more time before going to next step.

5

Slide other Cymbal end over the middle Czech bar. Pick up a seed bead and sew through Cymbal and middle bar bead. Pick up another seed bead and follow illustrations to loop around to secure pattern.

6

Follow illustration to sew through seed bead, cymbal and bottom seed bead.

Pick up a mini dagger, seed bead and mini dagger. Sew through next bottom 11/0 seed bead.

Repeat this all the way around, adding a mini dagger, seed bead and mini dagger sequence between the seed beads.

Sew through a few beads, tie off with two knots and cut off excess. Repeat to other thread end.

7

Open a 4mm jump ring, slide on a 6mm closed ring and slide through loop of one Cymbal end. Close jump ring.

8

Open another 4mm jump ring, slide through loop of other Cymbal end and close jump ring. Open another 4mm jump ring, slide through previous 4mm jump ring and through loop of clasp. Close jump ring.
