Instructions

1

Pick up 8 delica beads and sew back down the 6th delica bead.

2

Pick up a delica bead, skip a delica bead and sew through the 4th delica. Pick up another delica and sew through 2nd delica. Pick up another delica and sew down up through first delica.

Peyote stitch on the other side adding the delica beads.

3

Peyote stitch on this end adding the follow 3 delica beads.

4

Peyote stitch on this end adding the follow 4 delica beads.

Sew down through middle bead, down to the second and criss cross back up through the middle bead. (Follow the illustrations)

5

Repeat steps 3 and 4 another 62 more times for a total of 254 rows. **NOTE:** your top and bottom row should consist of 127 beads.

6

Once you've reached the intended, stitched rows you will stitch both ends together.

Loop and sew through a few beads before cutting off excess.

7

Unscrew your bracelet bezel side, slide on your delica tube pattern and screw back sides.
