- TCZ0096** - Sterling Silver Hoop Earring Wires with Loop by Tierracast®

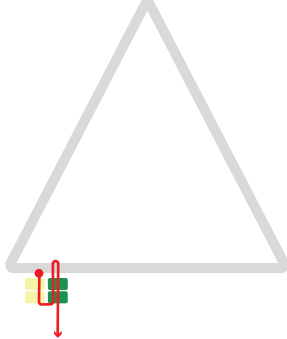

Instructions

1

Cut a 5 feet piece of thread. Loop thread through triangle and tie both ends together, leaving a 5inch short tail.

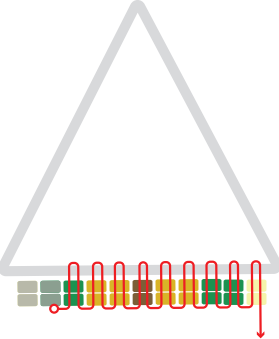

2

Pick up 4 seed beads:
2 Cream and 2 Shamrock.

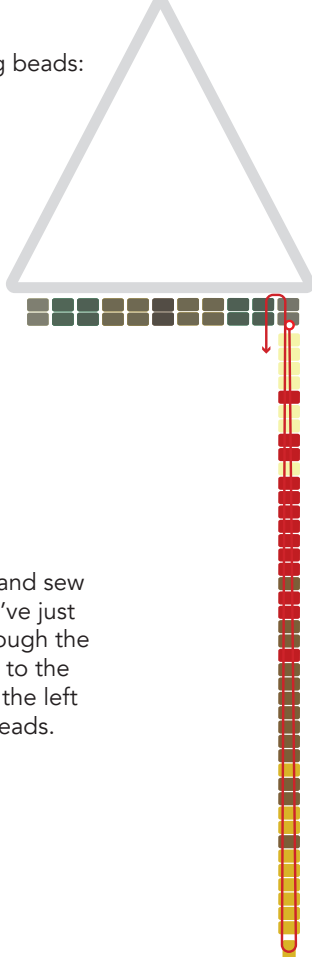

Loop around triangle and sew back through the last 2 seed beads (or Shamrock color).

3

Follow pattern to brick stitch a set of 2 beads each row:
Shamrock, Yellow, Yellow,
Bronze, Yellow, Yellow,
Shamrock, Shamrock and Cream.

4

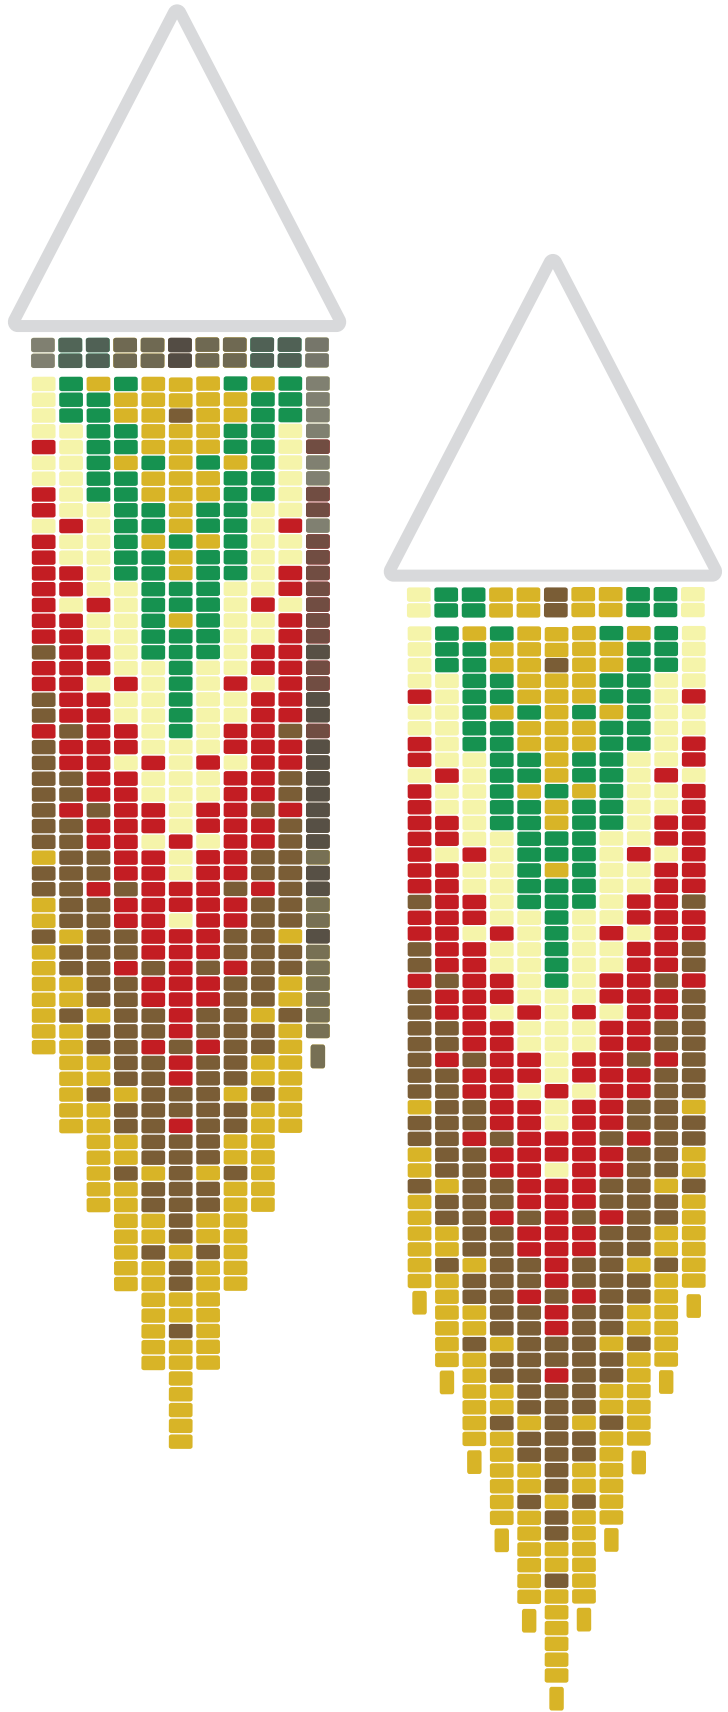

Pick up the following beads:
4 Cream
1 Cardinal
2 Cream
2 Cardinal
1 Cream
7 Cardinal
1 Bronze
2 Cardinal
2 Bronze
1 Cardinal
7 Bronze
1 Yellow
2 Bronze
2 Yellow
1 Bronze
7 Yellow

Then skip last bead and sew back through all you've just added. Sew up through the top two beads, loop to the next set of beads to the left and down the two beads.

5

Repeat Step 4 and follow the diagram to the right for the other fringe color sequence

Once you've done your fringes, tie off and sew through a few beads before cutting off excess.

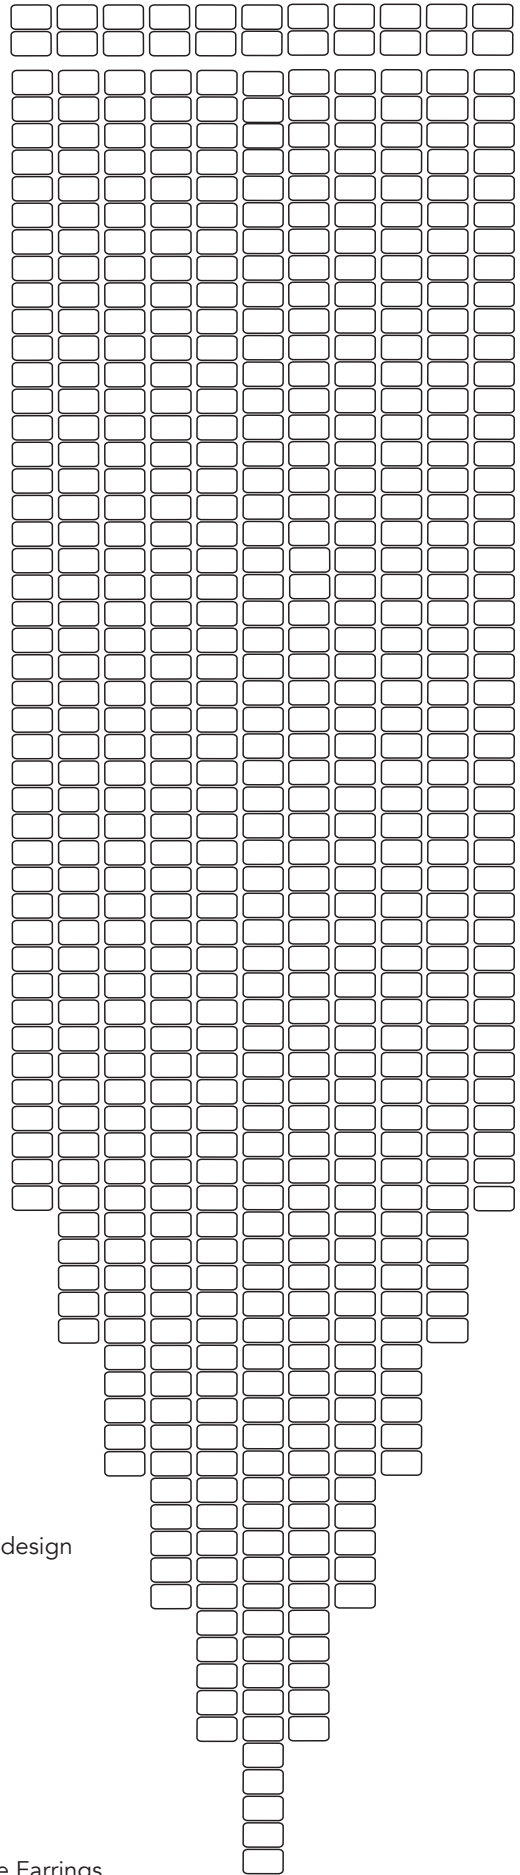

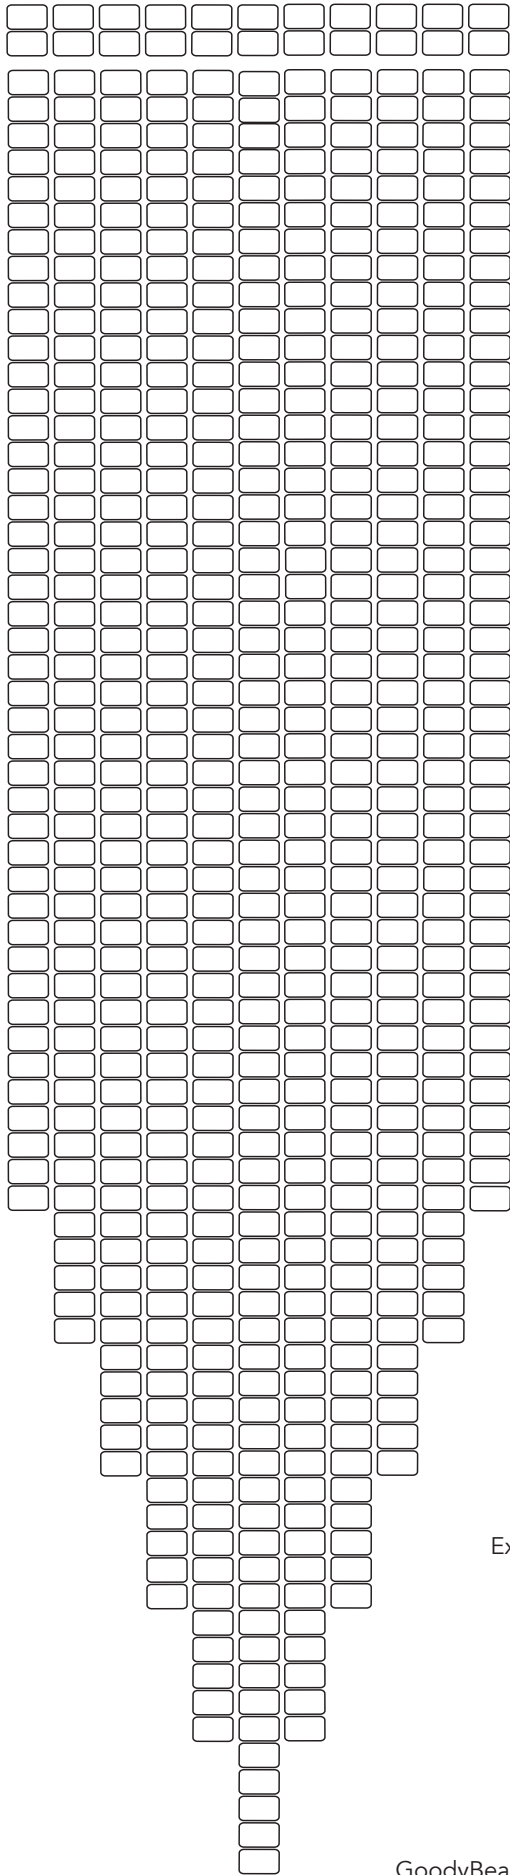

6

Open earwire loop and slide on triangle fringe. Close ear wire.

7

Repeat all steps for other earring.
